

Configure Database Vault : New User

Creating a User

```
SQL> alter session set container=pdb1;

Session altered.

SQL>
SQL> create user scott identified by tiger;
create user scott identified by tiger
*
ERROR at line 1:
ORA-01031: insufficient privileges
```

The right user to allow this (c##_dv_acctmgr)

```
sqlplus c##dv_acctmgr_root@pdb1

SQL> create user scott identified by ORacle1234##;

User created.
```
